

Citizens for Conservation presents a Leave No Child Inside class "Earth Day with CFC"

Join us in restoring an area of Citizens for Conservation-owned Flint Creek Savanna South. Take part in native plant restoration, learn why it is critically important to perform restoration, and receive an educational poster showing the various native prairie plants, mammals, birds, and insects that make a restored woodland and prairie their home. Refreshments provided!

Dress according to the weather — layers are best. Wear long pants, long-sleeved shirts, socks, and sturdy shoes. Please, no sandals or open-toed shoes. Label and bring your own work gloves, pruners, or loppers. Apply insect repellent at home.

Saturday, April 7

Time 9:00 – 11:00 am

Arrive no later than 8:45 am at CFC headquarters: 459 West Highway 22 Barrington, IL 60010. We're on the south side of Highway 22 between Route 59 and Kelsey Road, across from Advocate Good Shepherd Hospital. We will car-pool to the nearby work site located near Route 14 and Flynn Creek Drive.

This class is open to children ages 6 and older. Caregivers are required to attend. CFC members are free. Non-members pay \$5.00 for the first child and \$1.00 for each additional child. Please make checks payable to Citizens for Conservation.

COMPLETE REGISTRATION FORMS ARE DUE by April 4.

Registration forms can be found at <http://www.citizensforconservation.org/youth-education/>. Please call CFC at 847-382-SAVE (7283) or email youth-ed@citizensforconservation.org for additional information.
